Defense

araks

Boost natural immunity with a grounded nutritional foundation

Vitamin C, Vitamin D3, and Zinc are all essential nutrients that play important roles in supporting the body's immune system. When these three nutrients are combined, they work synergistically to defend against infections and illnesses.

Though there is no surefire way to avoid getting sick, enhancing your immune system is a smart place to start. These three powerful nutrients are needed by the immune system to strengthen your body's defenses against billions of potentially harmful bacteria, viruses, and other germs.

Ingredients may help:

- Defend the immune system
- Defend against free radicals
- Defend against many toxins
- Help improve your mood,
- Boost your brain function and improve your overall well-being

Ingredients include: Vitamin C, D3 & Zinc

Araks (Sanskrit for Defense) is our foundational nutrition product. The Root Chakra on the label represents how the specific nutrients inside switch on this important energy center.

GlucoSlym

Arudh Rasali

Optimizes the glucose you consume and process in your gut

NutriVeda's GlucoSlym is an extraordinary blend of Ceylon Cinnamon (True Cinnamon), Aloe Vera (True Aloe), and White Mulberry leaf (Morus Alba). All three herbs have been utilized for millennia in the wellness practices of Ayurveda to help support your digestive fire. Recently, science has been mounting regarding the key bioactive found in these three herbs and their combined power to help your body thrive.

Ingredients may help:

- May Support Blood Sugar*
- May Reduce Body Fat & Weight*
- May Calm Inflammation*
- May Boost Metabolism & Energy Use*

Ingredients include: Aloe Vera, White Mulberry, Cinnamon Bark Extract

Represented by the Solar Plexus Chakra on the label, GlycoSlym supports how the insulin produced by your pancreas optimizes the glucose you consume and process in your gut, then distributes it throughout your body in your blood.

Relief

laghava

Deliver compassionate aid that helps your body fight inflammation

Combining these three compounds may offer additional benefits for managing aches and pains, fighting inflammation, and defending the immune system. Of course, let's not forget they support mood control, neurological response, and muscular strength.

Ingredients may help:

Ingredients may help:

- Promotes Positive Mood*
- May Lessen Feeling Anxiousness
- Supports Focus and Concentration
- May Aid in Sleep and Relaxation

Ingredients include: Vitamin C, Cranberry, Tart Cherry, Watermelon, Blueberry, Hemp, Andrographis

Laghava is the Sanskrit word for Relief. This potent meltaway was born to fight inflammation! Add the anti-inflammatory and immunomodulatory properties of CBD and Andrographis, to the immune-supporting effects of Vitamin C, and something special happens.

Renew

nutanaya

Supplementing with MNM supports longevity

NutraVeda is first to market Beta-Nicotinamide Mononucleotide (NMN) in our channel. NMN has been shown to have significant anti-aging benefits ranging from telomere regeneration that can extend a person's lifespan, to DNA repair that reverses mutations caused by harmful nutrients and a toxic environment. Additionally, NMN has been found to reduce inflammation, increase energy, and improve cognition, while reducing insulin sensitivities that result in diabetes and metabolic disorders. Nutanaya is a total game changer!

Ingredients may help:

- Provide Anti-aging Benefits
- Support DNA Repair
- Boost Metabolism and Fat-burning
- Increase Energy
- Promote blood circulation
- Preserve memory
- Slow down physical and cognitive decline

Ingredients include: 125 mg Beta-Nicotinamide Mononucleotide

Nutanaya is the Sanskrit word for Renew.
